

LEEDS NORTH EAST CIRCUIT
CIRCUIT MEETING SUMMARY - JUNE 2010

Rev Graeme Dutton is to be ordained in Portsmouth on 27th June

Moortown will continue with their current worship pattern until the end of October and then they will attend one Sunday a month at Alwoodley and the rest at St. Stephens - the anglican church on the Moortown estate. The September Circuit meeting will consider this and the future use of the building.

For the year from 1st September 2010:

Circuit Stewards Doug Aveyard, Judith Clinkard, Peter Howdle and Sue Wittrick.

Circuit Representatives to Synod Mark Grant, Yvonne Herbert, Robert Lewis, Anne Millett, Michael Prince and Shanthy Richardson

Following further meetings between the Circuit Leadership teams of Leeds North East and Leeds East Circuits, at the September Circuit Meeting members will be asked to vote on the following resolution:

The Circuit Meeting resolves to seek to create a new Circuit based on the current Leeds North East and Leeds East Circuits with a view to its inauguration on 1st September 2012

In the meantime, members of the Circuit Meeting are asked to feed back information to their churches. Comments can be passed to any member of the Circuit Leadership Team and it is hoped to have details for consideration on the Circuit website.

From September, **Rev Graeme Dutton** will be taking one day a week (replacing the study day he had as a probationer) to explore and develop Christian networking via online media. There will be a support team to help him and to monitor his work.

The Circuit has received a bequest of £100 from Dorothy Mary **Hindle** who was a member at Thorner.

Churches were thanked for their offers of help towards raising an extra £22,000 for the Circuit. Although the offers were £8,000 short of this total, because the forecast increase in pensions and benefits has been revised downwards, this may not be needed.

The Reinvitation Process is being set in motion for **Rev Mark Harwood** with a decision to be made at the September Circuit Meeting.
